Subject: Want To Try UConceive For  
30% Off?

Hey, Dr. Jill here with some great news...

But first:

Because there has been such an  
AMAZING positive response...

And because I know what it's like to feel  
like you've tried and heard everything  
already...

I want to do something special for you  
and a handful of our readers...

If you've been paying attention to  
everything I've been sharing...

You know how much I believe in  
UConceive.

As well as how much success others  
have had using it...even after months  
and years of trying everything else.

So if you're still interested in starting your  
family...

I really want to show you that Uconceive  
can work for you, too.

And to do that, I've setup a special page  
you can use to take 30% off your order of  
UConceive:

There's just ONE tiny "catch"...

We're actually going to lose money by  
offering this.

But I'm willing to do it, because Scott and I are confident it will work and hope you'll recommend it to others.

However...

To keep things from getting too crazy, we're limiting this offer to the next [xx hours / xx kits].

So to get your kit for 30% off please be sure to order from this page ASAP:

And if you have any questions, feel free to hit reply!

To Your Health And Fertility,  
Dr. Jill

PS - Remember: we have to limit this to the next [xx hours / xx kits].

So if you want a safe, all-natural way to finally conceive and start your family...

...use this page to try it risk-free AND save 30%:

Oh, and as I mentioned in my other e-mail...if you're not happy with it for any reason just let us know and we'll happily send you a full refund.
